

BAC Minutes

9/21/23

Joseph motion to accept minutes

Carly 2nd

Adopted.

Principles Report – Mrs Hershman

Enrollment as of Sept 8

240 students last year at this time it was 207. We will probably get a new teacher for next year.

See report for individual numbers.

3 new employees

MTSS plans

We had to do a plan to shows our curriculum to be in compliance with the Alaska Reads Act. It was approved. Rubric in the packet.

Assessments

mClass:

Results will be posted on 9/29th. More information also shown on the report for K-3 students.

Map growth:

Activities:

Homework hour once a week beginning October 2nd. For any kids reading under the 40th percentile. The Alaska reads act requires us to provide reading services outside of the school day for any child who is under the 40th percentile.

Teachers are asked to do weekly communication with parents using whichever method they choose.

Staff Policy and Procedure guide has been updated by Mrs. Hershman.

“Every person belongs here” is her personal mission.

Formatting, added table of contents. Mostly the same except:

New ASD School Board Policy about recess:

We are not allowed to withhold students from recess for anything academic. Already cannot for behavior. Now the lunch period is ½ hr. lunch and ½ hr. recess. It used to be 20 mins and 20 mins.

For our PLC on Monday – all elementary schools are mostly on the same week. We extended the Mission segment. Supposed to revamp the Mission as a staff. Something that is kid friendly, that the staff and kids can remember. Should have it by the next meeting.

PLC questions?

What is the trade off for taking the kids out of school an hour each week?

Allen will speak back up will be Joe.

Closing Comments:

Ryan asked if we could get a copy of the Staff Handbook. Safety notifications for the school. What is the policy on the communication about security.

If there is not a threat and she has not been notified of the threat. Mrs. Hershman can't disclose a lot of the information according to ASD and APD. Mrs. Hershman will give as much information as she can without violating privacy.

Mrs. Hershman will notify and communicate if there is an actual threat made. Can notify the families of the students involved in an incident especially if APD is called. Mrs. Hershman consults with her Elementary Director and SRO to determine if it is a threat through investigation.

Suggested that we lean towards transparency and disclosure as much as possible.

Joe move to adjourn
